

# EPREP PRESENTATION SEMINAR AND SYSTEM DEMONSTRATION

Mikrolab - Frisenette invites all lab professionals to a free seminar day. Spend the day learning about the ePrep® ONE sample preparation workstation and how it can make your daily life in the laboratory better and easier. Don't miss out on experiencing the robot hands-on.

To register please send us an e-mail at [marketing@mikrolab.dk](mailto:marketing@mikrolab.dk) before Friday the 23<sup>rd</sup> of September. Remember to inform us, if you have any dietary restrictions. Admission is free. No-show fee is 500 DKK. A minimum of 10 people need to sign up. **Free parking is available, remember to register at reception.**
