Shaker

MS 3 control

2+1
Year
Warranty*

- › Compact, universal small shaker suitable for shaking tasks with all small vessels and microtiter plates
- › Wide range of attachments
- › Attachment detection
- › Timer with countdown function
- › Stable in all speed ranges
- › Continuous or touch operation (with standard attachment)

Ident. No.: IKA0020016017

~~8,182.50 DKK~~ **6,955.00 DKK**

Year
Warranty*

Mills MultiDrive basic

- › For a wide range of crushing tasks involving coarse and fine crushing
- › Excellent crushing performance with variable rotational speeds (from 3000 rpm to 20 000 rpm)
- › With interval operation at the press of a button
- › With integrated cooling for indirect heat dissipation
- › Variety of vessels available as accessories

Ident. No.: IKA0025002638

~~28,762.50 DKK~~ **24,448.00 DKK**

Disperser Solution
T 10 battery Complete Solution

2+1
 Year
 Warranty*

- › Complete solution for benchtop dispersing operation
- › Includes a reusable stainless steel dispersing tool (5 mm), a stand and a clamp
- › Large LCD display for easy parameter viewing
- › Brushless DC motor for quieter operation
- › Precise speed setting with numerical values
- › Timer and counter functions
- › Rechargeable battery with two charging options

Ident. No.: IKA0010015688

~~17,512.50 DKK~~ **14,886.00 DKK**

Welcome to the IKA Knowledge Base

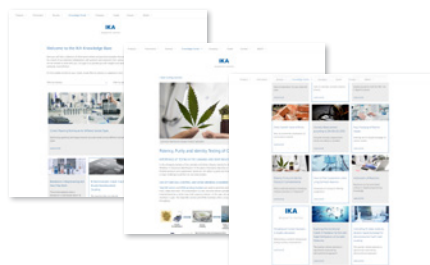

/// Find Insights and Hands-On Knowledge

Explore a collection of informative articles and practical examples showcasing a variety of applications in the laboratory field. As a result of our extensive collaboration with partners and customers from various industries, we have gained valuable know-how that we are excited to share with you. Our goal is to provide you with insights and hands-on knowledge that will help you make your processes more efficient.

Filter by Industry and Application to find the articles most valuable to you.
