

VistaLabTM

TECHNOLOGIES

Think Differently. Feel Better.

Highly accurate and precise aliquoting without the need to “eyeball” the meniscus

- Push one button to aliquot
- Aliquot any volume from 0.5 to 5.0 mL with exceptional repeatability
- Compatible with all brands and sizes of serological pipets; optimal performance when using Wobble-not pipets
- Intelligent measuring system = real-time corrections for varying environmental conditions - No adjustment necessary!
- Accuracy and precision maintained at any dispense angle for more comfortable body positions, especially beneficial in the hood

Product #	Volume Range
2000-0005	0.5 - 5.0 mL

Watch ali-Q video

Wobble-notTM
Low Insertion Force Serological Pipet

- Unique patented 2-tier step design at plug end
 - Less force to insert
 - Less “wobble” - Maximum stability
 - Less dripping - Better accuracy
- Individually wrapped in paper/plastic
- Sterile – RNase/DNase free
- Non-pyrogenic
- Filter at plug end made of porous polypropylene
- Ultra-clear markings
- Accuracy $\pm 2\%$ at full volume

Superior accuracy and precision
Unmatched patented ergonomic design
Two year warranty

Electronically operated Pipettes

- Custom volume pre-sets
- Power supply included
- Shelf hanger included
- Multi-dispensing
- Mixing
- Serial Diluting

Ovation ESC

Electronic Single Channel Pipette

- Built-in microtube cap opener

Product #	Volume Range	Color
1065-0020	0.5 - 20 µL	Yellow
1065-0125	2 - 125 µL	Green
1065-0250	5 - 250 µL	Blue
1065-1250	25 - 1250 µL	Purple

Ovation E8 E12

Electronic Multichannel

8-channel Product #	12-channel Product #	Volume	Color
1160-0020	1060-0020	0.5 - 20 µL	Yellow
1160-0125	1060-0125	2 - 125 µL	Green
1160-0250	1060-0250	5 - 250 µL	Blue
1160-1250	n/a	25 - 1250 µL	Purple
n/a	1060-0850	25 - 850 µL	Grey

Ovation Macro5 Macro10

Macro Volume Single Channel Pipette

- High precision alternative to portable pipet controllers
- Uses Ovation macro tips or serological pipets

Product #	Volume Range	Color
1065-05mL	100 µL - 5 mL	Grey
1065-10mL	200 µL - 10 mL	Red

Mechanically operated Pipettes

- Low-force plunger
- Built-in microtube cap opener
- Shelf hanger included

Ovation M

Mechanical Volume Adjust Pipette

Product #	Volume Range	Color
1070-0002	0.2 - 2 µL	Red
1070-0010	1 - 10 µL	Orange
1070-0020	2 - 20 µL	Yellow
1070-0100	10 - 100 µL	Green
1070-0200	20 - 200 µL	Blue
1070-1000	100 - 1000 µL	Purple

- Mechanical 2-stroke (overblow)
- "Click stop" volume adjustment
- Audible "click" tip attachment
- Fully autoclavable

Multi-pipette Set	Product #	Pipette Volumes
3-piece Set #1	1070-0998	10 µL, 100 µL, 1000 µL
4-piece Set #1	1070-0999	2 µL, 20 µL, 200 µL, 1000 µL

Ovation QS

Quick Set Digital Volume Adjust Pipette

Product #	Volume Range	Color
1057-0002	0.2 - 2 µL	Red
1057-0010	1 - 10 µL	Orange
1057-0020	2 - 20 µL	Yellow
1057-0100	10 - 100 µL	Green
1057-0200	20 - 200 µL	Blue
1057-1000	100 - 1000 µL	Purple

- Mechanical 2-stroke (overblow)
- Digital keypad volume adjustment
- Custom volume pre-sets
- Replaceable CR2 battery

Multi-pipette Set	Product #	Pipette Volumes
3-piece Set #2	1057-0999	20 µL, 200 µL, 1000 µL

Ovation F1 F2

Reagent Reservoirs

- Proprietary surface treatment for lowest residual reagent/highest reagent recovery
- Trough-within-a-trough design to recover the "last few drops"
- Pour-off spouts at every corner
- A wider base for stability
- Molded-in volume graduations
- Free of animal products

VistaLab Technologies offers a variety of Calibration and Repair Services for Ovation and MLA pipettes to meet all regulatory requirements and ensure optimum performance. In order to maintain consistently reliable test results, pipettes should be serviced at least twice per year. With over 40+ years of servicing experience, you can be confident that your pipettes will be performing at their best.

All service is performed in compliance with ISO 8655 in our state of the art, ISO/IEC 17025:2005 accredited metrology lab with equipment traceable through NIST to the International System of Units (SI) by expert certified technicians.

Choose from our pre-set service options or request custom tailored service to meet your GLP/GMP requirements. For International Service orders, please contact Technical Support.

ORDER ONLINE at www.vistalab.com/services

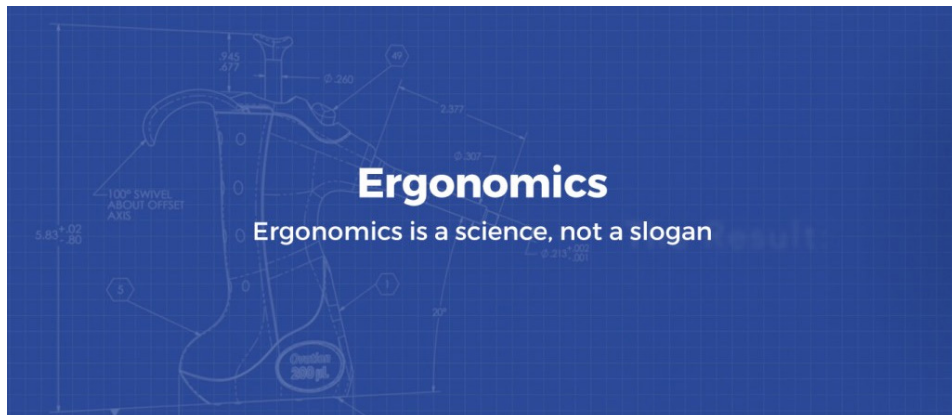

All service includes:

- Thorough internal and external Inspection and Cleaning
- Preventative Maintenance
- Functional check and Leak test
- Comprehensive, detailed Calibration Certificate
- 90 day warranty on service/ 1 year warranty on parts
- 48-72 hour turnaround time

Think Differently. Feel Better.

At VistaLab Technologies, we take the science of ergonomics quite seriously. We've spent years working with ergonomic experts to study the physiological dynamic of pipetting and the root causes behind injury to design products to help you do your research and feel better doing it.

Our products may look different. There is good reason for that.

Designing products for your health so you can focus on the science.
